CIRCULAR

Considering it necessary so to do in the public interest, the Forest Department, Government of Goa, has launched an e - service for Tree felling & Tree transit permission in the State of Goa w.e.f. 30.10.2017. One can use this facility from Ease of Doing Business Tab of the Official website of Goa Forest Department & also by visiting <http://www.forest.goa.gov.in/forest/userse/users/login>.

The e service shall be on trial run for one month for seeking user's feedback on problems / technical glitches encountered if any. This e service however, shall be in addition to the presently in vogue system of physical submission of Application for Tree Felling & Tree transit.
